The 2009-11 Toyota vehicle recalls involved three separate but related recalls of automobiles by Toyota Motor Corporation, which occurred at the end of 2009 and start of 2010. Toyota initiated the recalls, the first two with the assistance of the U.S. National Highway Traffic Safety Administration (NHTSA), after reports that several vehicles experienced unintended acceleration.

About two months ago I replaced my rear leaf springs with Dorman factory replacements (great springs from rockauto) at 126k miles they were starting to get weak figured I'd replace them before they broke as these obviously are known to do. So now we get this letter about an incoming recall for the springs breaking..
