always standing on the pdf

In law, standing or locus standi is the term for the ability of a party to demonstrate to the court sufficient connection to and harm from the law or action challenged to support that party's participation in the case. Standing exists from one of three causes: The party is directly subject to an adverse effect by the statute or action in question, and the harm suffered will continue unless the ...

A seiche (/ ˈ ɛ ː s eɪ ˈ ɛ f / SAYSH) is a standing wave in an enclosed or partially enclosed body of water. Seiches and seiche-related phenomena have been observed on lakes, reservoirs, swimming pools, bays, harbours and seas. The key requirement for formation of a seiche is that the body of water be at least partially bounded, allowing the formation of the standing wave.
