African-American culture, also known as Black American culture, refers to the contributions of African Americans to the culture of the United States, either as part of or distinct from mainstream American culture. The distinct identity of African-American culture is rooted in the historical experience of the African-American people, including the Middle Passage.

African-American culture - Wikipedia

God has a book, called the Book of Remembrance, in which He records our deeds. This book is directly connected with another very important book called the Book of Life. If a name is removed from the Book of Life it removed it from the Remembrance book.

American Rhetoric: General Douglas MacArthur - Sylvanus

History. With increasing industrialization resulting in Americans working outside the home in factories, it became unfeasible to go home to lunch every day, thus it was necessary to have something to protect and transport a meal. Since the 19th century, American industrial workers have used sturdy containers to hold hardy lunches, consisting of foods such as hard-boiled eggs, vegetables, meat ...
