The FSI (Foreign Service Institute) language courses are arguably the best free language courses available anywhere. The FSI language courses cover over 40 languages from the most spoken in the world to some less well known ones. Some of the language learning material is a bit dated, but it is still possible for someone to learn a huge amount from this material This material is public domain, that means we have put it up at no costs, and with no commercials.

Assimil (often styled as ASSiMiL) is a French company, founded by Alphonse ChÃ©rel in 1929. It creates and publishes foreign language courses, which began with their first book Anglais Sans Peine ("English Without Toil"). Since then, the company has expanded into numerous other languages and continues to publish today.
