Accounting Templates | Double Entry Bookkeeping

Double-entry accounting is a practice that helps minimize errors and increases the chance that your books balance. This method gets its name because you enter all transactions twice. When it comes to double-entry bookkeeping, the key formula for the balance sheet ($Assets = Liabilities + Equity$) plays a major role.

What is Double-Entry Bookkeeping? - dummies

The double entry system of accounting or bookkeeping means that every business transaction will involve two accounts (or more). For example, when a company borrows money from its bank, the company's Cash account will increase and its liability account Loans Payable will increase. If a company pays \$...
