Demographia International Housing Affordability Survey: 2018

Primary education and elementary education is typically the first stage of formal education, coming after preschool and before secondary education (The first two grades of primary school, Grades 1 and 2, are also part of early childhood education). Primary education usually takes place in a primary school or elementary school. In some countries, primary education is followed by ecosystem, an ...

Education in Japan is compulsory at the elementary and lower secondary levels. Most students attend public schools through the lower secondary level, but private education is popular at the upper secondary and university levels.. Education prior to elementary school is provided at kindergartens and day-care centers. Public and private day-care centers take children from under age 1 on up to 5 ...
