In truth, there aren't many GURPS PDF files available online, although there are plenty of charts and character sheets that can be downloaded to act as replacements for your old ones. Similarly, while few full GURPS games are available legally in PDF format there are many homebrew games developed by hardcore roleplay gamers.

GURPS' simulationist bent results in it being regarded as excessively complicated by many gamers, earning it the humorous moniker "Generally Unplayable RolePlaying System". Using its third edition vehicle creation system will make you want to eat your own face, and possibly devote the whole process to one or more elder gods.
