SS Pacific was a wooden-hulled, sidewheel steamer built in 1849 for transatlantic service with the American Collins Line. Designed to outclass their chief rivals from the British-owned Cunard Line, Pacific and her three sister ships (Atlantic, Arctic and Baltic) were the largest, fastest and most well-appointed transatlantic steamers of their day.. Pacific ' s career began on a high note when ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

One of my proudest moments was the email exchanges I had with Richard Hall, who was one of the most senior investigators in Ufology. Those who know this field know that Richard went back to the early days of NICAP (National Investigations Committee on Aerial Phenomena) and was actively involved with, in one way or another, most of the major UFO groups in the United States.
