Oral Language Practice Activities - Teacher Writing Center

The WJ IV ACH was compared to two different achievement batteries and a test of oral and written language with small samples (Ns = 49-51); composite score correlations were mostly in the .60 to .70 range within the separate reading, mathematics, and writing areas, but some were in the .80 and .90 range.

Woodcock-Johnson® IV

paper-and-pencil language tests from performance tests. Paper-and pencil language tests are typically used for the assessment either of separate components of language knowledge (grammar, vocabulary etc.), or of a receptive understanding (listening and reading comprehension). In performance-based tests, the language skills are assessed in an act of communication.

Types of Language Tests - Tlemcen

Aim: Students practise asking and answering typical questions in English oral tests. Language Points: Short answers present simple, verb to be, can, future (going to); Numbers and letters; basic vocabulary; Materials: 1 copy of the worksheet Rationale: Many English courses have an exam component. More often than not, the exam includes an oral exam.
