The Oxford Advanced Learner's Dictionary (OALD) was the first advanced learner's dictionary of English. It was first published in 1948. It is the largest English-language dictionary from Oxford University Press aimed at a non-native audience. Users with a more linguistic interest, requiring etymologies or copious references, usually prefer the Concise Oxford English Dictionary, or indeed the ...

A traditional model for the organization of language lessons, both in the classroom and in course-books, has long been the PPP approach (presentation, practice, production). With this model individual language items (for example, the past continuous) are presented by the teacher, then practised in the form of spoken and written exercises (often pattern drills), and then used by the learners in ...
