Chinese calligraphy is a form of aesthetically pleasing writing (calligraphy), or, the artistic expression of human language in a tangible form. This type of expression has been widely practiced in China and has been generally held in high esteem across East Asia. Calligraphy is considered as one of the four best friends of ancient Chinese literati, along with playing stringed musical ...

Tabletop and pen-and-paper (PnP) RPGs are conducted through discussion in a small social gathering. The GM describes the game world and its inhabitants. The other players describe the intended actions of their characters, and the GM describes the outcomes. Some outcomes are determined by the game system, and some are chosen by the GM.
