Past Lives is a live album released in 2002 by Black Sabbath. It peaked at number 114 on the Billboard 200. The first disc was previously known as Live at Last, an album not put out by Black Sabbath's record company, and therefore not an official Black Sabbath album. The second consists of recordings made for television and radio, previously only available on bootlegs.

Star Trek fan productions are productions made by fans using elements of the Star Trek franchise. Paramount Pictures, CBS, and their licensees are the only organizations legally allowed to create commercial products with the Star Trek name and trademark. The fan film community has received some coverage from the mainstream media.

America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.
