

### **patriarchal structures and ethnicity pdf**

The history of the family is a branch of social history that concerns the sociocultural evolution of kinship groups from prehistoric to modern times. The family has a universal and basic role in all societies. Research on the history of the family crosses disciplines and cultures, aiming to understand the structure and function of the family from many viewpoints.

The Association of Research Libraries statistics for 2012-2013 are comparable to the ALA numbers above and underscore the magnitude of the disparity for representation by race and ethnicity in research libraries. 17 These poor numbers are not unique to libraries; the statistics are similar in most institutions of higher

education across the United States.
