

prayer book the jordanville pdf

The cornerstone (or foundation stone or setting stone) is the first stone set in the construction of a masonry foundation, important since all other stones will be set in reference to this stone, thus determining the position of the entire structure.. Over time a cornerstone became a ceremonial masonry stone, or replica, set in a prominent location on the outside of a building, with an ...

Cornerstone - Wikipedia

Ordination is the process by which individuals are consecrated, that is, set apart as clergy to perform various religious rites and ceremonies. The process and ceremonies of ordination vary by religion and denomination. One who is in preparation for, or who is undergoing the process of ordination is sometimes called an ordinand.
