

private law and property pdf

Private law in common law jurisdictions. The concept of private law in common law countries is a little more broad, in that it also encompasses private relationships between governments and private individuals or other entities.

Private law - Wikipedia

South African property law regulates the "rights of people in or over certain objects or things." It is concerned, in other words, with a person's ability to undertake certain actions with certain kinds of objects in accordance with South African law. Among the formal functions of South African property law is the harmonisation of individual interests in property, the guarantee and protection ...
