Download A guide to the Project Management Body of

Project Management Body of Knowledge, or the PMBOK® Guide. A professional association? Just for project management? Isn't project management just a variant on general management? Yes and no. There are a lot of similarities, but there are enough differences to justify treating project management as a discipline separate from general management.

Fundamentals of Project Management 4th Edition

Lexicon of Project Management Terms The lexicon provides a standardized set of frequently used project, program and portfolio management terms with clear and concise definitions to improve understanding and consistent use of terminology.
