

summary of secret empires pdf

Politically, it was typical for either a monarchy or an oligarchy, rooted in the original core territory of the empire, to continue to dominate. If governmental authority was maintained by controlling water supplies, vital to colonial subjects, such as empires were called hydraulic empires. Europeans began applying the designation of "empire" to non-European monarchies, such as the Qing Empire ...

Around 10,000 years ago, humanity started organizing itself in chiefdoms and proto-empires. With this shift away from small tribes, the meaningful division of labor came into being – a breakthrough invention for its time. With it came the first real organizations, in the form of small conquering armies.
