

the film photography handbook pdf

Principal photography is the phase of film production in which the bulk of the movie is filmed, with actors on set and cameras rolling, as distinct from pre-production and post-production.. Principal photography is typically the most expensive phase of film production, due to actor, director, and set crew salaries, as well as the costs of certain shots, props, and on-set special effects. Its ...

Principal photography - Wikipedia

Spirit photography is a type of photography whose primary attempt is to capture images of ghosts and other spiritual entities, especially in ghost hunting and has a strong history dating back to the late 19th century.
