Modern dance is a broad genre of western concert or theatrical dance, primarily arising out of Germany and the United States in the late 19th and early 20th centuries.. Modern dance is often considered to have emerged as a rejection of, or rebellion against, classical ballet. Socioeconomic and cultural factors also contributed to its development.

Sunday is the day of the week between Saturday and Monday. Sunday is a day of rest in most Western countries, as a part of the weekend and weeknight.. For most observant Christians, Sunday is observed as a day of worship and rest, holding it as the Lord's Day and the day of Christ's resurrection. In some Muslim countries and Israel, Sunday is the first work day of the week.
