

**the old grammar schools pdf**

A grammar school is one of several different types of school in the history of education in the United Kingdom and other English-speaking countries, originally a school teaching Latin, but more recently an academically-oriented secondary school, differentiated in recent years from less academic Secondary Modern Schools.. The original purpose of medieval grammar schools was the teaching of Latin.

**Grammar school - Wikipedia**

A direct grant grammar school was a type of selective secondary school in England and Wales that existed between 1945 and 1976. One quarter of the places in these schools were directly funded by central government, while the remainder attracted fees, some paid by the Local Education Authority and some by private pupils. On average, the schools received just over half of their income from the ...
