A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term

has other meanings.). A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

Active Shooter in a House of Worship

Jim Hair of BMC (now retired) told me how much the store and employees are involved in promoting analog processes and serving as a conduit for film photographers and the involvement in the local arts community. It's no wonder that people in the Portland area come into the store for more than just film processing. Jim likes to use a 4x5 rotating back Graflex SLR, and took my photo outside the ...
