Definitions. A stranger is commonly defined as someone who is unknown to another. Since individuals tend to have a comparatively small circle of family, friends, acquaintances, and other people known to them—a few hundred or a few thousand people out of the billions of people in the world—the vast majority of people are strangers to one another.

The Strangers are an American country band that formed in 1965 in Bakersfield, California. They mainly served as the backup band for singer-songwriter Merle Haggard. However, from 1969 to 1973, they issued several records independent of Haggard, released on Capitol Records. Merle Haggard named the band after his first hit single (My Friends Are Gonna Be) Strangers.
