

### **the turning war the pdf**

There is widespread disagreement among historians about the turning point of the American Civil War. A turning point in this context is an event that occurred during the conflict after which most modern scholars would agree that the eventual outcome was inevitable. While the Battle of Gettysburg in July 1863 is the event most widely cited as the military climax of the American Civil War (often ...

The Strauss-Howe generational theory, also known as the Fourth Turning theory or simply the Fourth Turning, which was created by authors William Strauss and Neil Howe, describes a theorized recurring generation cycle in American history.. According to the theory, historical events are associated with recurring generational personas (Archetype). These generational personas unleash a new era ...
