A tyrant (Greek τῆραν, tyrannos), in the modern English usage of the word, is an absolute ruler unrestrained by law or person, or one who has usurped legitimate sovereignty. Often described as a cruel character, a tyrant defends their position by oppressive means, tending to control almost everything in the state. The original Greek term, however, merely meant an authoritarian ...

The Case is a primer on how to defeat totalitarianism. The Case also violates both liberal and conservative orthodoxy. The Case states that free nations have the moral high ground and should use that in conjunction with all other available tools to push totalitarian regimes past their tipping point regardless of economic or tactical concerns.
