

### **the universities of europe pdf**

A medieval university is a corporation organized during the Middle Ages for the purposes of higher learning. The first Western European institutions generally considered universities were established in the Kingdom of Italy (then part of the Holy Roman Empire), the Kingdom of England, the Kingdom of France, the Kingdom of Spain, and the Kingdom of Portugal between the 11th and 15th centuries ...

The list of medieval universities comprises universities (more precisely, studium generale) which existed in Europe during the Middle Ages. It also includes short-lived foundations and European educational institutions whose university status is a matter of debate. The degree-awarding university with its corporate organization and relative autonomy is a product of medieval Christian Europe.
