Just as the etymology of "vampire" is subject to controversy, so is the history of the introduction of the word into the recorded vocabulary of major European languages and literatures, and the way of transmission is not always clear.

The History of the Word 'Vampire' - Nick Melczarek

Although the target isn't under the vampire's control, it takes the vampire's requests or actions in the most favorable way it can, and it is a willing target for the vampire's bit Attack. Each time the vampire or the vampire's companions do anything harmful to the target, it can repeat the saving throw, ending the effect on itself on a success.
