theory and practice of pdf

Practice theory is a theory of how social beings, with their diverse motives and their diverse intentions, make and transform the world which they live in. It is a dialectic between social structure and human agency working back and forth in a dynamic relationship. Practice theory, as outlined by Sherry Ortner, "seeks to explain the relationship(s) that obtain between human action, on the one ...

A theory is a contemplative and rational type of abstract or generalizing thinking, or the results of such thinking. [better source needed] Depending on the context, the results might, for example, include generalized explanations of how nature works. The word has its roots in ancient Greek, but in modern use it has taken on several related meanings. ...
