## **Current Anthropology article - University of Nebraska**

This book is a response to the assertions made over the years by Afrocentric extremists who claim that the first Americans were sub-Saharan Africans, that the first American "civilizations" were created by ancient Egypto-Nubian and West African visitors, and that other West Africans came to the Americas in the fourteenth century CE and again in the years before the European discovery of the Americas in 1492.

## **Thieves of Civilization: Afrocentric Attempts to**

... Afrocentric scholars boldly dismiss objectivity and question its value in historical scholarship. Assuming the task of "rectifying injustice" with their "historical" writings, Afrocentric scholars struck hard at Eurocentric scholarship.
