lifestyles, entrepreneurs must have the ability to manage time well and to take care of personal business efficiently. Because first impressions are so important, entrepreneurs must also pay attention to such things

as personal appearance and telephone skills. For example, think of the difference in

### **Chapter 3 Entrepreneurs: Key Characteristics and Skills**

an entrepreneur is in the way in which they think and react. This aspect of an entrepreneur I refer to as the mindset. A mindset is not any one characteristic, but a whole group of thoughts and reactions that come together to create the whole. Probably the best place to start would be with the original word entrepreneur. It is generally agreed
